Dear Jim:

I appreciated your letter of February 17 about Foster. I had a good visit with him yesterday and he is taking a keen interest in everything that is going on in the world, and is making all the progress we could hope.

Clover joins me in all good wishes to you both.

Brother Albert Broderick, O.P.

Dear Broderick:

It was good to hear from you after such a long time, though on my rather rare visits to S & C I have had word from them of you.

I wish I could be of help to you, but unfortunately what you are trying to do is difficult to work out under the regulations. Furthermore, it is not within my field of work but would have to be taken up through the Air Force and they are bound by rather strict regulations, as otherwise military facilities could be used, and possibly abused, to the detriment of regular scheduled airlines.

You may recall Malcolm MacIntyre, who is now Under Secretary of the Air Force. He might be able to give you good advice, but I am not optimistic that he could be of direct help. However, I see no reason why you should not make a try.

Mrs. Dulles joins me in kindest regards.

Sincerely,

(Signed) ALLEN W. DULLES
